

# Because of Love

by Yaewon Song, 2004

## **Verse 1:**

In love, He created  
In grace, He united  
In life, He provided

Standing before Him  
There to adore Him  
Your life now unfolding

*Because of Love, you now have love  
Because of Grace, you now have grace  
Because of Life, you now have life  
All because of Love.*

## **Verse 2:**

He was Broken, in shame  
He bore the pain  
And revealed Love again

Once without Love  
You were once without Grace  
Once without Life

*Because of Love, we now have love  
Because of Grace, we now have grace  
Because of Life, we now have life  
All because of Love.*
