Intro:

Now welcome everyone to the Sohn/Na wedding.
Yeah.. I know.. its an unusual setting.
See you're over there.. wondering what you're seeing
I'm over here.. like I forgot I'm Korean
But I did NOT, know what I mean
Here's my PLOT, in this scene,
GOT one SHOT to make it HOT in this SPOT that I be in.
So here we go yo.. here's the scenario...
This beautiful princess just married a yo-yo
(chheeh).. what?! What's the deal
I don't know, bro.. but I love her and its real

What I love about her:

I got like every guy in the planet wanna be like me,
cuz they see in you such godly qualities.
I'm here to confess, this girl's the best
she the type of girl that stand out among the rest
She's got: humility, dignity, and enough patience to deal with me
she gave comfort in the trials that I've been through
she daily searching the word to know what to do
joyful, hopeful, gentle and kind
loving and faithful, with such a pure mind
I could keep it going, the list goes on,
If I'd say it all, I'd be doing 10 songs
and I could, girl, for the rest of my life
all this grace, that's bundled in a wife,
It just amazed me, girls its crazy
I get to be your man and you my Lady

Our Story:

[We're gonna take it back]
Almost 4 years now, since the day we met
and the road that we took I ain't ever forget
Imma say this girl, you done rocked my world
the 1st time I saw her, my feelin's were all up in a twirl,
they spinning, I'm grinning, thinking bout ways
for future days where I could be like 'hey,
what's up girl, you going my way?
oh no? well I'll see ya at fellowship.. on Friday'
[shout out to GCF, KBS
ya'll kept me straight through the prelim tests and the problem sets]
see, that was my senior year and she was just a freshman

I had guys askin' "you got sumtin to confess man?"
Naw B, I see what I see, .. a fly honey, plus she's godly

[Then we were long distance.]
300 miles apart we wondered if we'd make it
for 3 long years sometimes I couldn't take it
and people be askin'
"ain't that time wasted.. is y'all still datin?"
yeah bwoi, we going strong
cuz check it, son, this girls got it goin on

then when you came down... we got engaged
"this I promise you" on my web page
I had you surprised.. you shoulda saw your face
10 month later.. we're up on that stage
"Will you take this woman to be your wife?" I will
"Even lay down your life?" It's real

My Commitments:

so, Imma do the best I can, its you I wanna serve
I'm called to be your man, and I'm keeping near the Word
i don't deserve you, but i'm called to serve you
so i won't swerve to the left or the right
thru dark days or the nights
imma point us to the Light
cuz now that we're one, we're one in Christ!

Listen, Becuz of you, I don't wanna die. I wanna live my life, right by your side
but Becuz of him, I know it's alright. we gonna be aight, cuz our life, its in Christ

See I'm not here to promise that I'll supply nice things
A big house, small kids, and some diamond rings
Cuz I don't hold the future nor what I can obtain
But Imma give you the one thing that don't ever change

Whatever I got, Imma give to you
Whatever's in need, Imma try to pull through
my money, my clothes, well that's yours too.
all that I ask, is that she makes nice food

Listen... i'm in position...
come over here, girl and gimme a kissin'
(mwah)
oh my, what a kiss
i never knew married life would be like this

now heres my prayer:
may we grow old wit each other
become a father and a mother
serve the fellow brother
and give our lives for the other
I love you, Hemi!
